Chateau Miraval is one of the only estates in Provence to have its own private valley on the Commune of Correns to the north of Brignoles. The vineyard is planted on a gentle slope (between 5% and 9%) on clay and limestone soils. The sub-soils are known as Keuper marl. This particular clay is known to have a low internal surface area and is particularly adapted to great white varietals.

TASTING NOTES

MILLÉSIME 2020

Pale colour with delicate green reflections.

Miraval Blanc 2020 opens up with a superb nose on refined notes of white fruit, linden and lemon.

Very elegant on the palate and very fresh, it reveals subtle aromas of almonds, peaches and acacia flowers before a beautiful saline finish.
